

Hustlers Tavern - Hostess

HOST INFORMATION

Company Description:

RAIV Hospitality Group Inc., is a multi brand restaurant company. We are seeking students for our Hustler's Tavern restaurant during the winter months. Hustler's Tavern is a full service sit down restaurant featuring Detroit style pizza, appetizers, and craft cocktails. We are located 25 minutes north of Buffalo, NY, 8 hours West of New York City, and 2 hours south of Toronto, Canada. During the winter months there are a number of things to experience in our area.

Hustler's Tavern is located on the site where the cocktail was invented over 200 years ago, by Catherine Hustler.

Niagara Falls Guests can view one of the wonders of the world 24 hours a day, seven days a week from America's oldest state park. During the winter, guests can take a partial Cave of the Winds tour and descend 175 feet in an elevator alongside the Bridal Veil Falls. There they can view the falls from an observation deck. And just a short drive away, visitors can check out more than 200 designer outlets and quick-service food options at the Fashion Outlets of Niagara Falls USA.

Buffalo The city makes the most of its wintry reputation. As part of multimillion dollar redevelopment of the city's waterfront, visitors can lace up their ice skates and glide on more than 35,000 square feet of ice, pedal an ice bike -- which feature a wheel and a blade, or challenge a friend to a game of curling. While in the city, visitors can check out the city's NHL team, the Buffalo Sabres
