Moreys Piers is located on the oceanfront boardwalk in Wildwood, New Jersey overlooking the magnificent beaches and Atlantic Ocean.

We are a family-owned amusement business that operates 3 amusement piers and 2 waterparks.

We are within a 3.5-hour drive of NYC, Washington D.C., and Philadelphia. Everything in town is easily accessible and within walking distance of accommodations and work. Many students reside in the area during the summer months, and the environment is very student-friendly.

We are committed to providing our team members with as many cultural exchange opportunities as possible. There will be volunteer events, as well as Professional Series that give you an opportunity to learn about various US professions and industries, such as law, police, banking, mechanical engineering, and medicine. We organize trips to Washington DC, Baltimore, the Niagara Falls, Boston, as well as employee events, such as barbeques, themed parties, sporting competitions, etc.

Moreys Piers is a team environment! Last year we hired participants from more than 25 different countries and all over the U.S. This is a great place to experience the U.S. culture, practice your English and make lots of new friends! We work hard but our goal is to have fun doing it. We are selective in our hiring; we want to put together a group of people that can act and function as a team. usually \$250. Most landlords will require the deposit and up to two weeks' rent be paid in cash upon arrival. You will be expected to get along with your roommates, keep your space clean and free of trash, treat the housing and the furniture with respect, and abide by the rules that the housing owner sets. Once you move in, you are making a commitment to stay there through your commitment date, otherwise you will lose your deposit. Do not have high expectations of the housing; most of it is old, outdated, and poorly styled. However, it is conveniently located. You will find the housing style does not matter much as most students spend very little time there. We described housing to the best of our ability, taking into account the majority of the housing. You may find this information is not reflective of all housing situations.
