HOST INFORMATION

Company Description:

Our restaurants are located in the heart of Chincoteague, Virginia. Chincoteague Island, Virginia's only resort island, is a serene, yet fun filled, tourist destination. Located on Virginia's Eastern Shore, Chincoteague is within easy reach from all major cities on the mid-Atlantic seaboard. Chincoteague is the gateway to the Virginia portion of Assateague Island and the Chincoteague National Wildlife Refuge, home of the famous Chincoteague Wild Ponies. Chincoteague offers a relaxed atmosphere and the beauty of unspoiled nature. From relaxing on the beach to viewing a spectacular sunset over the Chincoteague Bay, there is never a shortage of things to do in Chincoteague. One of the major traditions on the island is the annual Pony Swim at the end of July, where tens of thousands of spectators from around the world gather on Chincoteague Island to watch the ponies. Visitors can enjoy an array of activities such as boat tours, kayaking, biking, and much more! The position opportunities we have available are very good for these students, whom we have been hiring since 2004. We also offer enough housing opportunities for all the students who are interested at a reasonable rental rate, making it an easy transition for them. Every year, they are very pleased with the income they make, the work environment, their coworkers, and the town that we are located in, leaving high reviews after their experience.
